New in Store!

Who doesn't love new cloth diaper products? Well, you know we definitely do! Here are our newest additions to our store:

Monkey Doodlez Swim Diapers

With all the amazing weather we've been having here in the Vancouver area, I couldn't resist ordering our first batch of [Monkey Doodlez Swim Diapers](#) a little early. We've tried a few different swim diapers, but these are our favourites. So much so, that these are the only ones we carry. Not only are they a swim diaper, but you can use them as the swimsuit too. Our little monkey looks very cute in his Tully Turtle and we're sure yours will

be even cuter in the one you pick! And to sweeten the deal, we have free shipping on all swim diapers. If you don't see the pattern in the size you are looking for, let us know, we will order it in for you.

Flip by Cotton Babies

These great diapers just got even better. How, you ask? Well, they are now available in more colours! The [Flip covers](#) come in Grasshopper, Butternut, Twilight, and Blossom in addition to Moonbeam, Zinnia and Ribbit. We have them available in all colours, and for those of you who already have a ton of [Flip inserts](#), we have just the covers available too. Speaking of inserts, we are also carrying the [Organic Cotton](#) version too. These new colours are flying off the shelves, but don't worry, we have more coming in soon.
